Dear Sir;

RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

In response to the *Notice of Non-Compliant Amendment* of 29 Jul. 2008, the applicant elects the subject matter of "Group I" claims, namely claims 34-43 for further prosecution in the instant application.

The foregoing election of Group I is entered with TRAVESE, as it is believed that the subject matter of the "Group II" claim, namely, claim 44 would be easily and concurrently searchable with the subject matter of the "Group I" claims, without causing an undue burden on the Examiner or without requiring an overly extensive search.

Should the Examiner in charge of this application believe that communication with the undersigned will favorably advance the prosecution of this application, they are invited to contact the undersigned at their convenience.

Conditional Authorization for Fees

Should any further fee be required by the Commissioner in order to permit the timely entry of this paper, the Commissioner is authorized to charge any such fee to Deposit Account No. 14-1263. Small Entity status is claimed.

Respectfully Submitted;
